RE: MARTIN LUTHER KING, JR.

During the period of April 25 through April 30 and May 2 through May 7, surveillances have been conducted on O'DELL. They revealed that he has been going regularly to an address of 312 West 125th Street, NYC. On several occasions he has been observed with posters which advertise "An Evening of Music and Drama For Freedom Now" on Tuesday, May 17, 1960 at the 30th Armory, 1-2nd Street and Fifth Ave., NYC. The poster indicates that the purpose is to aid the "Southern States Sit-In Movement, MARTIN LUTHER KING Defense" and that orders can be mailed to the "Committee to Defend MARTIN LUTHER KING, JR. And The Struggle For Freedom in the South," 312 West 125th Street, NYC.

The "Herald Tribune" newspaper of May 4, 1960, on page 1, contains an article "Dr. KING Seeking Sit-In by Negroes at Polls in South." This article states that Dr. KING was called to confirm a prediction made by BARBARA RUSSELL [REDACTED] who was interviewed earlier in the day. It stated that RUSSELL is assistant to Dr. KING in KING's capacity as President of the Christian Leadership Conference. b7c

## BILL OF RIGHTS FUND

On November 15, 1954, a source made available a mimeographed leaflet dated November 4, 1954, entitled, "Announcement of Bill of Rights Funds, CORLISS LAMONT, Chairman." This leaflet reflects that CORLISS LAMONT had set aside \$50,000.00 to initiate a special Bill of Rights Fund, to give assistance to key organizations and enterprises, that are working militantly and uncompromisingly for American Civil Liberties on the basis that the Bill of Rights should apply impartially to all groups and individuals in the United States; and, to provide financial help in especially significant individual cases involving constitutional issues, in order to assist the victims with their legal defense and to lessen economic pressures on such persons if they have lost their jobs.

On May 1, 1961, a source advised that the captioned Fund continues to be active. The address for the fund is 450 Riverside Drive, New York 27, New York, which is the residence of CORLISS LAMONT.

LOUIS EUDENZ, a former self-admitted member of the Communist Party (CP), and ex-managing editor of the "Daily Worker," testified in September, 1953, at Washington, D. C., before the United States Senate Permanent Subcommittee on Investigations, that he knew CORLISS LAMONT as a member of the CP, USA in the 1930's and 1940's.

The "Daily Worker" was an East Coast Communist newspaper which suspended publication on January 13, 1958.

At that time the organization was called the United Electrical and Radio Workers of America. Shortly after a large group of AFL machinists' locals joined the UE and the full name became the United Electrical, Radio and Machine Workers of America, (UE).

"The UE is known as an 'International Union' because companies of both the United States and Canada are under contract."

"100 Things You Should Know About Communism and Labor", prepared and released by the Committee on Un-American Activities, United States House of Representatives, Washington, D.C., 1951, reflects on pages 80 and 81, "In 1944, the Committee on Un-American Activities found the following unions to have 'Communist leadership. . .strongly entrenched:'

"United Electrical, Radio, and Machine Workers of America (CIO).

"The following unions have been expelled from the CIO because of their Communist domination:

"United Electrical, Radio, and Machine Workers of America."

The "Internal Security Annual Report for 1957, Report of the Subcommittee to Investigate the Administration of the Internal Security Act and other Internal Security Laws, of the Committee on the Judiciary, United States Senate" on page 61, refers to UE as "one of the strongest Communist controlled unions in America".

The International Headquarters of UE is located at 11 East 51st Street, New York, New York, according to the April 24, 1961, edition of "UE News", official organ of UE.

DATE: 3-28-63

FROM : SA [REDACTED] b7c

SUBJECT: ARTHUR KINCY  
SM-C  
CC-NY

The following investigation has been conducted in an effort to verify the subject's status, residence and employment in the New York vicinity.

On 2-18-63, [REDACTED], who resides at [REDACTED] advised that the subject had changed his address and his current whereabouts were unknown to him. b7d

A neighbor-hood investigation conducted in the vicinity of 1705 Henry Hudson Parkway, Bronx, NY, on 2-19-63 produced no positive results concerning the whereabouts of the subject. [REDACTED] was recontacted, however, on 2-19-63, at which time he advised that he had found out that the subject then resided at an apartment on the Henry Hudson Parkway somewhere in the vicinity of the 1900 Block. b7d

On 2-26-63, an unnamed doorman at the Windsor Apartment North advised that the Windsor Apartments consisted of the North and South locations, which though some distance apart were under the same management and bore the same address. To his knowledge the subject did not reside at the North location. The subject's name did not appear at this location's resident listing, located at 1901 Henry Hudson Parkway, Bronx, NY.

On 3-7-63, an unnamed doorman at the Windsor Apartment South, address also at 1901 Henry Hudson Parkway, Bronx, NY, advised that the subject was a resident at this location. He could not, however, furnish the subject's employment. An unnamed apartment manager at this location verified that the subject is self-employed from his residence.

[REDACTED] was used in any of the foregoing contacts as none was necessary to obtain the desired information.

Case closed. b7c

HAMILTON was included in the Security Index of the NYO in view of her membership in the News and Letters Committee; the name by which the Forest Faction of the Johnson Forest Group is publicly known. (u)

New York has no information in its file that HAMILTON is employed in the office of WYATT TEE WALKER although it would appear that this is the subject. Therefore, Atlanta should determine whether the MARY HAMILTON employed by WALKER is identical with the subject. (u)

With respect to the KONOA mentioned in Atlanta letter to the Bureau, 11/21/63, as being a law partner of KUNSTLER (phonetic), a New York City attorney, it is believed that this person is ARTHUR KINOY, subject of NY file 100-118562, Bureau file 100-413210. (u)

It is noted that the KUNSTLER law firm is located at 511 Fifth Avenue, NYC. On 12/5/63, a check was made of the lobby of the building at 511 Fifth Avenue, and the building directory lists the law firm of KUNSTLER, KUNSTLER and KINOY in Room 1011. The names of ARTHUR KINOY and WILLIAM KUNSTLER are also listed separately in the building directory as being in Room 1011. (u)

Re: Communist Party, United States  
of America - Negro Question  
Communist Influence In Racial Matters  
Internal Security - C

On December 3, 1963, a confidential source, who has furnished reliable information in the past, furnished information which indicated that Clarence Jones contacted Harry Wachtel on that date. Wachtel mentioned that he had read a copy of the "Southern Christian Leadership Conference (SCLC) Newsletter", and he said that it appears as though Bill Kunstler is writing it. Jones said that many people are upset because of the fact that (Arthur) Kinoy says he is the trial counsel for the SCLC. Both Jones and Wachtel agreed that they need to have a long conference with King because nothing can be accomplished without King's cooperation. Wachtel made the observation that King is more interested in talking on the telephone than in doing anything. Jones said to meet King in Atlanta would be useless because he would "be too busy making out he was busy". Wachtel suggested the possibility of the three of them, Jones, King and Wachtel, meeting in Washington, D.C., sometime in the future. Jones and Wachtel agreed that King does not have any ideas, and that they might be able to give him a few. Wachtel stated if they could only get King by himself for four hours they might be able to accomplish something.

Clarence Jones is the General Counsel for  
the Gandhi Society for Human Rights, 15  
East 40th Street, New York City.

A second confidential source, who has furnished reliable information in the past, advised on February 26, 1957, that Clarence Jones is a person whom he knew during late 1953 or early 1954 to be a member of and in a position of leadership in the Labor Youth League (LYL).

The LYL has been designated pursuant to Executive Order 10450.

Harry H. Wachtel is the Special Counsel for the Gandhi Society for Human Rights.

A third confidential source, who has furnished reliable information in the past, furnished information in December, 1949, that Harry H. Wachtel, 41 Broad Street, New York, New York, was on a list of individuals carried as active members of the National Lawyers Guild (NLG).

A seventh confidential source, who has furnished reliable information in the past, advised on October 29, 1962, that a rally was held on October 24, 1962, sponsored by the New York Council to Abolish the House Un-American Activities Committee at the Manhattan Center, 34th Street and Eighth Avenue, New York City. William Kunstler spoke at the rally and told the audience that the House Committee on Un-American Activities (HCUA) interferes with social progress and the brotherhood of man. Kunstler called for the abolition of the HCUA.

An eighth confidential source, who has furnished reliable information in the past, advised on November 3, 1962, that Kunstler had had the "Daily Worker" delivered to his home in Port Chester, New York.

The "Daily Worker" was an East Coast Communist daily newspaper which suspended publication on January 13, 1958.

NEW YORK COUNCIL TO ABOLISH  
THE HOUSE UN-AMERICAN ACTIVITIES  
COMMITTEE

On March 9, 1961, a source advised that the New York Council To Abolish the Un-American Activities Committee (NYCAUAC), 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee To Abolish the Un-American Activities Committee (NCAUAC).

A second source advised on September 17, 1962, that FRANK WILKINSON was a Communist Party member as of September, 1952.

A third source furnished on September 14, 1961, a copy of resolutions of the New York Council to Abolish the House Un-American Activities Committee (NYCAHUAC) which were adopted by the NYCAHUAC. One such resolution affirmed the intention to continue to work for the abolition of the House Committee on Un-American Activities (HCUA) and to continue its efforts to broaden the participation in this fight. Another resolution accepted as a modus vivendi the suggestion of the Field Representative of the "National Committee to Abolish the HCUA" (NCAHUAC) namely that local abolition committees may identify and co-ordinate their efforts as closely as they desire with NCAHUAC, still maintaining their autonomy for as flexible and independent a program as possible.

Various sources have advised during March, 1962, that Communist Party (CP) members in the New York City area have been solicited to support activities of the NYCAHUAC during attendance at CP club meetings.

On May 6, 1963, the first source advised that the NYCAHUAC continues to function from its office at 150 West 34th Street, New York City, New York.

All sources mentioned have been listed previously in the report.

On December 13, 1963, a confidential source, who has furnished reliable information in the past, furnished information which indicated that Clarence Jones contacted Martin Luther King in Philadelphia, Pennsylvania on that date. During the course of their discussion, King mentioned that he will be on a very "tight schedule" for the next few days. He said that he will be in Michigan on Wednesday, December 18, 1963; in Baltimore, Maryland, on Thursday, December 19, 1963; and Danville, Virginia, on Friday, December 20, 1963.

King mentioned that he does not feel there is any urgency for him to meet with Governor Rockefeller. Jones told King that he feels it is urgent for King to meet with Harry Wachtel and himself in order that the pressing problems confronting them may be discussed. Jones said that one of the most pressing problems involves the fact that "an inquiry was made of him (Jones) by a representative of the Government about a Southern Christian Leadership Conference (SCLC) representative". Jones said, "It was akin to the questions asked Jack". King replied that he did not understand this problem. Jones stated he is afraid that "this problem will snowball". Jones reminded

King that it could involve "the lawyer friend of Bill's". Jones said that "the government man" wanted to know "what position Bill's friend held in the SCLO", and Jones said that he told him that he did not know. (u)

Jones and King made tentative plans to meet in Atlanta, Georgia, on December 22, 1963, if that is agreeable with Harry Wachtel. u

King said that he did not like a recent Columbia Broadcasting System (CBS) Television program dealing with the civil rights movement in Harlem. King asked Jones to let CBS know about this. u

Jones said that Hermine Popper (ph) will edit King's book and will have it ready by January 13, 1963, if she gets ten per cent of King's royalties up to \$3,000. He said that she wants an advance of \$500. King said that he is agreeable to this but does not want anyone to get the impression that he receives help in preparing his books since he feels this would hurt his national image. u

Jones informed Harry Wachtel's secretary that he had been in touch with Martin Luther King and that King would like to meet with Wachtel and himself. According to Jones, King said that he could meet with them in the morning of December 20, 1963, in Washington, D.C., from which point he will be departing at 2:00 o'clock by plane to go to Danville, Virginia. Jones said that King would also be available to meet with them on the evening of December 22, 1963, and the morning of December 23, 1963, in Atlanta, Georgia. Jones indicated he favored going to Atlanta since they would have more time to talk to King down there. u

On December 16, 1963, the same source furnished information that Jones contacted Wachtel on that date. Jones mentioned that King is coming to New York City on Thursday, December 19, 1963, for a three hour conference with the publisher of King's book. After this conference, King will go to Baltimore. Jones said that after going over the material, she indicated that she has a good idea of what is expected of her but she said she would like to discuss with King the arrangement of the material. According to Jones, Hermine feels that it would save her from doing things over if King could have a discussion with her.

King suggested that he might fly from Baltimore to New York City on Friday, December 20, 1963, and arrive at 12:00 noon. He stated that he would be able to stay in New York City until four or five o'clock. Jones and King agreed this would be a good arrangement. King also suggested that if he

did not have to come all the way into town from the airport, he would be able to spend more time at the meeting. It was agreed that Jones would make arrangements to get a room at or near the airport. Jones suggested that he might try to get a room at the International Hotel or at the airport itself.

King inquired about the financial status of the Gandhi Society, mentioning that they were still being confronted with bills in Danville. King said, "They throw it up to us all the time that the Gandhi Society made a commitment and that they haven't had the follow through". Jones replied that Harry Wachtel has been working on this with Bill Kunstler. Jones indicated that Wachtel has been going over the bills, and he said that there has been a source of dispute because of a number of commitments were made "without our prior knowledge". He said these were commitments made by Bill (Kunstler), and he said he felt that they would have to honor them. Jones informed King that he thought the bills came to about \$12,000. Jones stated that some arrangements were made to have some money raised in Boston and that these funds were to be earmarked for Danville. Jones indicated that Wachtel was "a little angry" at the way Bill (Kunstler) had made certain commitments and "certain representations" without consulting him (Wachtel) or people in the (Gandhi) Society.

King told Jones that after New Years, he wants to have "a retreat like" conference for approximately two and a half days in North Carolina at "this retreat center" owned by the Episcopal Church. King said that the place is near Asheville. King indicated that it would give "us" time to get a little recreation; he mentioned that the place he has in mind has an indoor swimming pool and bowling alley. Continuing, King said that he was thinking of taking 20 or 30 people but not more than 30 people, and that these people would be members of the executive staff, a few of the board members, and four or five other people. King indicated he would like to have Jones and Wachtel come, and he also indicated

he would like to have Bayard Rustin attend. King explained that he felt this affair would be very valuable in that they could sit down and really discuss the program. King went on to explain that this would not be an administrative meeting as such, although he said some administrative matters might come up during that period. King said that it will mainly be looking at the program for 1964, and looking over 1963. He said that it will be "a where do we go from here discussion". King indicated that the affair would begin on January 6, 1964, at noon and that it would last until January 8, 1964, at noon. King suggested that it would cost approximately \$2,500 for the retreat, and he stated that he feels the Southern Christian Leadership Conference (SCLC) treasury cannot handle it at this time. Jones agreed with this and said that this is something the Gandhi Society can and should do. King suggested that Jones discuss this with Wachtel in order to get his views. King repeated that he would like to have Jones and Wachtel come, and he remarked that even if they brought their wives it would be a good break for a day or two. U.

Jones mentioned to King that arguments before the United States Supreme Court in regard to the "libel case" are scheduled for January 6, 1964. He also mentioned that the arguments involve "The New York Times" and the individual defendants who signed "the ad". Jones told King that William P. Rogers, the former Attorney General, and Sam Pierce are doing the oral argument and that Harry and himself were counsel and would be advising them during the argument.

Jones told King that he had been contacted by a representative of a Federal Agency who spoke to him about Arthur Kinoy's relationship with the SCLC, and Jones said that he told him he knew nothing about it. Jones said he mentioned that Kinoy was just an attorney with whom he had worked at one time. Jones said that the questions "assumed an organizational link which does not exist". King commented that "it is very important for us to clear that up because there is no connection other than indirectly through Bill". King reminded Jones that "we made the decision on that - how we would deal with it".

NEW YORK COUNCIL TO ABOLISH  
THE HOUSE UN-AMERICAN ACTIVITIES  
COMMITTEE

On March 9, 1961, a source advised that the New York Council To Abolish the Un-American Activities Committee (NYCAHUAC), 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee To Abolish the Un-American Activities Committee (NCAHUAC).

A second source advised on September 17, 1962, that FRANK WILKINSON was a Communist Party member as of September, 1952.

A third source furnished on September 14, 1961, a copy of resolutions of the New York Council to Abolish the House Un-American Activities Committee (NYCAHUAC) which were adopted by the NYCAHUAC. One such resolution affirmed the intention to continue to work for the abolition of the House Committee on Un-American Activities (HCUA) and to continue its efforts to broaden the participation in this fight. Another resolution accepted as a *modus vivendi* the suggestion of the Field Representative of the "National Committee to Abolish the HCUA" (NCAHUAC) namely that local abolition committees may identify and co-ordinate their efforts as closely as they desire with NCAHUAC, still maintaining their autonomy for as flexible and independent a program as possible.

Various sources have advised during March, 1962, that Communist Party (CP) members in the New York City area have been solicited to support activities of the NYCAHUAC during attendance at CP club meetings.

On May 6, 1963, the first source advised that the NYCAHUAC continues to function from its office at 150 West 34th Street, New York City, New York.

All sources mentioned above have furnished reliable information in the past.
